Skype: *petermccarter*

1. Family name :McCarter
2. First names :Peter Stanley
3. Date of birth :18.04.58
4. Passport holder of :Ireland & UK
5. Residence :UK
6. Marital status :Married
7. Education

Institution [date from-to]	Degree(s) or Diploma(s) obtained:
University of Oxford [10/81 – 09/82]	MSc (Forestry & its Relation to Land Management)
Queen's University, Belfast [10/76 – 06/80]	Bachelor of Agriculture (BAgr)

**Language skills:** Indicate competence on a scale of 1 to 5 (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
English	1	1	1
Spanish	4	4	4
French	4	5	5
KiSwahili	5	4	-

9. **Membership of professional bodies** Commonwealth Forestry Association (Life member); Tropical Agricultural Association (Member)
10. **Other skills** Proficient user of Microsoft Office™ tools (Word™ / Excel™ / Powerpoint™ / Outlook™)
11. **Present position** Independent consultant
12. **Years within the firm** n.a.
13. **Key qualifications**

- >30 years' experience in developing and emerging economy countries working in development aid; >20 years of this spent on long-term overseas assignments, much of this as Team Leader of multi-disciplinary teams of international and local consultants; >16 years long-term assignments in Eastern & Southern Africa; >5 years South Asia (India & Nepal); 1 yr South-west Balkans (Montenegro); Short-term assignments (< 3months) in more than 20 countries
- More than 16 years leading and managing donor-funded development projects in the forestry and natural resources management, climate change adaptation and mitigation; watershed management, protected area

management, forest governance, forest and biodiversity conservation and community development sectors (for EU, ODA /DFID); Finland; Lux-Development, JICA); Long-term assignments in Kenya (8 years); Zambia (5.5 years); Nepal (4 years); Malawi (2.5 years); Ethiopia (>1 year); Montenegro (1 year); Sikkim (NE India) (1.5 years);

- Experience of undertaking NRM project reviews and evaluations (Ethiopia, Malawi, Belize, Mexico)
- Grant proposal evaluation (for EU, Scottish Government, DFID, Darwin Initiative (UK government); International Wildlife Challenge Fund (DFID): focus on natural resources management, environmental management & biodiversity conservation
- Sound knowledge and extensive experience of implementing 9<sup>th</sup> & 10<sup>th</sup> EDF procedures (Malawi & Ethiopia), including preparation and evaluation of Calls for Proposals; and procurement
- Extensive knowledge of all aspects of Project Cycle Management and EU Aid modalities (Ethiopia, Malawi, Nepal), including project and programme design
- Experience of implementing and supervising field assessments and participatory data collection (Kenya, Zambia, Malawi, Nepal, Ethiopia)
- Experience of project formulation (Ethiopia, Montenegro (EU-IPA), Malawi, Zambia, Nepal, Uganda, Rwanda)
- Preparation of (annual) Programme Estimates (9<sup>th</sup> and 10<sup>th</sup> EDF) (Malawi, Ethiopia)
- Significant experience of forest research management (Oxford University, DFID, Nepal)
- Practical experience of decentralising financial management and work planning systems
- Preparation of Protected Area / Forest Reserve Management Plans (Sikkim, Malawi, Zambia, Kenya)
- > 8 years' experience of SME and value chain development of NTFPs (Zambia, Malawi, Ethiopia)
- Wide experience of project management: administration, procurement, project monitoring and evaluation, financial and reporting requirements, work planning, budgeting, expenditure processes and internal financial control systems; (for multiple donors, including EU)
- Knowledge of sustainable energy production and consumption (Malawi, Montenegro)
- Excellent administrative, organisational, IT, analytical and report-writing skills
- Substantial experience of multi-disciplinary and multi-stakeholder natural resources development (Kenya, Nepal, Zambia, Malawi, Ethiopia, Montenegro) and institutional change management and public sector reform programmes operating within the public sector (Kenya, Zambia, Nepal, Montenegro);
- Wide experience of supporting donor (and other stakeholder) coordination
- Excellent coordination, facilitation, moderation and communication skills
- Proven networking and liaison experience
- Substantial experience of providing formal and 'on-the-job' training to counterpart (government) staff (Kenya, Zambia, Nepal, Malawi, Montenegro, Ethiopia)
- Fluent English speaker/writer (mother tongue)

## 14. Experience

				<p>dissemination of results and ensuring gender considerations were addressed</p> <ul style="list-style-type: none"> <li>• Coordinating and managing short-term consultancy inputs to the Project</li> </ul>
07/91 – 05/94	KENYA	ODA (as above)	Project Coordinator, Kenya Indigenous Forest Conservation Programme	<p><i>KIFCON was an ODA-funded component of a comprehensive forestry development program in Kenya, initiated in 1987 by the World Bank. Phase I of the project involved the establishment of three pilot projects, one of which covered the Mau Forest complex in the highlands of central Kenya. The three Forest Reserves that fell within the Mau project area totalled some 130,000 ha. They play an extremely important hydrological rôle in the region, as well as being home to several rare and endangered wildlife species. The forests are also the home to about 3,500 households of hunter/gatherers (Wandorobo). A major element of the Mau Project was the design and preparation of a resettlement programme that included a significant livelihood diversification component.</i></p> <ul style="list-style-type: none"> <li>• Coordinating and supporting a multi-disciplinary team of colleagues to design and prepare forest conservation project for the Mau forest</li> <li>• Working closely with Forest Department, Kenya Wildlife Service, Government Administration Officers and with the active consultation and participation of local people to develop a common approach to managing the Mau Forest</li> <li>• Overseeing planning of a major re-settlement component</li> <li>• Responsible for decentralised (District-based) budgets</li> <li>• Advising and monitoring Forest Department and KWS pilot activities supported by the Project</li> <li>• Preparation of forest inventory reports (Kenya-wide) and forest management plan for SW Forest</li> </ul>
10/90 – 06/91	KENYA	ODA (as above)	Forestry Adviser / Team Leader, Embu-Meru-Isiolo ASAL Development Programme	<p><i>The EMI Forestry Project was one of five components of a natural resources development programme the major objectives of which were to determine and implement measures which would maintain and develop agricultural and livestock production in the ASAL areas of Kenya on a sustainable basis. Other components included a dry-land farming project and a small stock improvement programme. The Forestry Project supported Forestry Department extension activities in the three Districts and also undertook, in collaboration with the Kenya Forestry Research Institute (KEFRI), research on exotic and indigenous tree species for arid and semi-arid areas. The Programme ran from 1981 to 1991.</i></p> <ul style="list-style-type: none"> <li>• Providing technical advice and support to the forest extension services of the Forestry Department at Provincial, District and Divisional level, and to the EMI Programme Office</li> <li>• Assisting with the planning, implementation, monitoring and evaluation of District work plans</li> <li>• Assisting with the preparation of District budgets</li> <li>• Developing a system of monitoring project progress and impact assessment, focusing on social, environmental and economic aspects</li> <li>• Developing and implementing in-service training programmes for Forest Department staff</li> </ul>
07/88 – 09/90	KENYA	ODA / Government of Kenya (as above)	University Lecturer (Forestry)	<p><i>This Project was an ODA-sponsored link between the Oxford Forestry Institute (Oxford University) and the Forestry Department at Moi University. The objectives were to assist in teaching, research and staff development within the Moi University Forestry Department and to enhance standards through curriculum development - with emphasis on practical training for undergraduate forestry students. Two long-term teaching staff were provided (of whom I was one).</i></p>

Date from-to	Location	Company & reference person (name & contact details)	Position	Description
				<p>one), along with vehicles and teaching and research equipment.</p> <ul style="list-style-type: none"> <li>• Teaching and examining undergraduate courses in agroforestry; social forestry and forest extension; forest mensuration; and arid lands afforestation</li> <li>• Developing a curriculum for a taught MSc in Agroforestry</li> <li>• General curriculum development for forest management related subjects at undergraduate level</li> <li>• Informal training of staff and final year students in the use of computers for statistical analysis</li> <li>• Research supervision of final year students' projects</li> </ul>
10/82 – 05/88	UK & Central America / West Africa / South Pacific / Latin America	Oxford University (for ODA) Prof. Jeff Burley: <a href="mailto:jeff.burley@plants.ox.ac.uk">jeff.burley@plants.ox.ac.uk</a> Tel: +44 - (0) - 870-8611888	Forest Research Officer, Unit of Tropical Silviculture, Commonwealth Forestry Institute	<ul style="list-style-type: none"> <li>• Exploring, mapping and collecting seed of Central American tropical pine species (2.5 years)</li> <li>• Evaluating international provenance trials of <i>Cordia alliodora</i> in West Africa, South Pacific Caribbean, Latin America (3 years)</li> </ul>
07/80 – 06/81	KENYA	APSO	Volunteer Agro-forester	<ul style="list-style-type: none"> <li>• Supporting establishment of on-farm tree nurseries and encouraging on-farm tree planting Western Kenya (Bungoma District)</li> <li>• Working with small farmers to identify their on-farm tree requirements</li> </ul>
